-BOT Meeting 5:30pm office

15 September - New Parent Luncheon

27 September - Taranaki Cross Country

29 September - End of Term 3

16 October - Term 4 Starts

BOT Community Consultation :

School Health Programme

We consult with our school whānau, parents and caregivers biannually about our school Health programme.

A consultation survey is being sent home via email through school links to known addresses with a survey monkey link for you to complete your responses online.

An overview of the key areas of learning for our Health programme is included and a return form for your comments provided if you prefer to make a paper response.

We would appreciate your input as to the areas you would like to see prioritised in the School Health programme in the next two years and any recommendations you would like considered. Copies of the programme and survey will also be at the school office.

Please return the paper survey to the school office.

Responses by 15th September please.

Can you help?

We are continuing to develop our outdoor learning area by the school pool with vegetable gardens, composting, bug hotels and most recently a seedling growing shed. We are looking for any one in our community with a landscaping/design background that may be able to volunteer some time to help us develop a design plan to progress our ideas further.

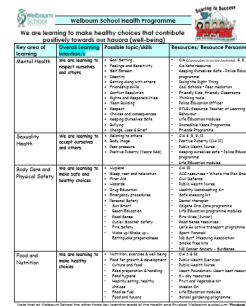

Enviro team lead teachers: Rebecca Sargent R9, Kelly Collins R6

Reminder - The crossing patrols operate in the morning from 8:30 - 8:45am.

Children are asked not to be at school until this time. Y Kids Care operates before School from 7:45am - 8:30am for families needing to have children cared for before the school day starts and after school from 3:00pm – 5:30pm.

The crossing patrols operate in the afternoon until 3:15pm and children are expected to leave the school grounds before this time. Children must go home and check in with parents after school.

Children using the playgrounds after 3:15pm, other than the school bus children, are not supervised by the school.
