Books Home

Children are bringing their folders and books home tomorrow, Friday, to share with you over the weekend. It is a good time to talk with them about their learning goals they are working on and what you might do together at home to support progress with these.

A ‘Comment Sheet’ for you to give some feedback on your child’s efforts is coming home with your child’s books.

Next term teachers will begin preparing end of year written reports and making the best fit judgments for student achievement in relation to the National Standards in Reading, Writing and Mathematics. As always, if something arises that you want to discuss with the teacher, please contact them to make a time.

Please ensure all books and folders are brought back on Monday ready for children to work in. Thank you.

BOT Community Consultation: School Health Programme

Thank you for the responses received. Your feedback will be collated and used to prioritise areas for focus in the School Health programme in the next two years. The survey will be closed off at the end of this week; there is still time if you want to make a response on the following link <https://www.surveymonkey.com/r/TVXPJ3C>

Be SunSmart - “Slip, Slap and Wrap”

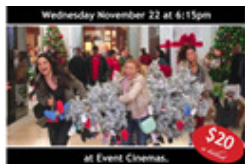

The ultraviolet index is beginning to rise now that we are getting closer to summer, with the start of daylight saving hours this weekend. When outside we are promoting children protect their face and neck by always wearing a hat with a wide brim (no caps please) and wear cover up clothing on shoulders. Sunscreen lotion provided by our great Home & School team is available in classrooms for sunscreen top up during the day

New Plymouth Cross Country

Welbourn sent a team of 9-11 year old runners to the New Plymouth Cross Country which was held at Peringa Park. All of our runners ran with great determination and perseverance to complete the challenging course in testing weather conditions. Well done to all of the children who participated, you can feel very proud of your achievements. Welbourn achieved wins in the team events, placed 3rd overall for 9 yr old boys and 9 Year old girls, and 2nd place in both the 11 yr old boys and girls events. *Michael Shearer: School sports Lead Teacher.*
